

## Alert System with Cameras - RFP Evaluation Sheet

### Evaluation Areas

- Cost - 25%
- Product quality/appropriateness/compatibility/performance - 35%
  - As listed in the RFP Evaluation Criteria the bidder agrees to provide an on-site proof of concept (demo) if requested.
  - Demos will be used to help determine this part of the score
- Bidder's qualifications/experience - 10%
- Bidder's ability to provide support/service - 5%
- Bidder's warranty/maintenance - 5%
- Proposed product meets the district's present needs as well as future needs through enhancements and upgrades - 20%

### Evaluation Details

Evaluation team will refer to RFP section "1.3 Evaluation Criteria" and grade proposals based on the criteria listed as they pertain to each area below. The criteria should be applied to "Section 3 - Technical Requirements." The total score given should be based on how the proposal meets the stated requirements in each area.

#### Cost

Cost is considered to be the price of the proposal including, but not limited to, individual system pricing, upgrades/downgrades pricing, installation support, warranty support, training, and any other relevant options with associated pricing.

Cost will be evaluated with the best cost getting 10 points. Remaining bids will be ranked and will receive a percentage of 10 points based on their percentage away from the best cost.

#### Notes:

- 2,500 per building for alert - could be cheaper w/ longer year contracts
- If power goes down - it still works.
- can have multiple staff alerts @ same time

ota

**Product quality/appropriateness/compatibility/performance**

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

Notes: ETC

cost - 586,031.30  
w/ indicator lights  
2ele. 10

Centegix  
591,988.00

**Bidder's qualifications/experience**

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

Notes: ETC

same day service  
ETC middle man - installation only - partnering w/ another company.

Centegix -

**Bidder's ability to provide support/service**
