

Alert System with Cameras - RFP Evaluation Sheet

Evaluation Areas

- Cost - 25%
- Product quality/appropriateness/compatibility/performance - 35%
 - As listed in the RFP Evaluation Criteria the bidder agrees to provide an on-site proof of concept (demo) if requested.
 - Demos will be used to help determine this part of the score
- Bidder's qualifications/experience - 10%
- Bidder's ability to provide support/service - 5%
- Bidder's warranty/maintenance - 5%
- Proposed product meets the district's present needs as well as future needs through enhancements and upgrades - 20%

Evaluation Details

Evaluation team will refer to RFP section "1.3 Evaluation Criteria" and grade proposals based on the criteria listed as they pertain to each area below. The criteria should be applied to "Section 3 - Technical Requirements." The total score given should be based on how the proposal meets the stated requirements in each area.

Cost

Cost is considered to be the price of the proposal including, but not limited to, individual system pricing, upgrades/downgrades pricing, installation support, warranty support, training, and any other relevant options with associated pricing.

Cost will be evaluated with the best cost getting 10 points. Remaining bids will be ranked and will receive a percentage of 10 points based on their percentage away from the best cost.

Notes:

\$ 3,000 per school per school - Centegix
 Cameras v in everyday - heart beat.
 \$ 25000 per building.
 Do it in 3-5 year chunks & goes
 Product quality/appropriateness/compatibility/performance

Centegix 591,988.00
 ETC - 581,266.10 + support.
 21,420 →
 602 + Bluetooth
 \$ 714,000

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

1 sec. turns on camera
 3 sec. cameras through whole school
 Notes:

ETC

- uses existing ~~hardware~~
- wearables - Bluetooth or cellular data.
- mic ~~hardware~~ separate from camera
- all teachers can have app. on their phones to receive alerts.
- others outside the system can login w/ app. - students can record projects through app.
- Button linked to camera in room. Must have app to send alert. Push for 3 seconds - admin has to look at cameras. Buttons tied to room. Mobile is not.

Centegix

Totally own system.
 If network goes out it will still work
 - Throughout all campus

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

Notes:

ETC partners with Interact.
 Interact
 Gives multiple references mostly universities.
 Over 11 years, currently 95 schools
 Bluetooth

Centegix

only 3 references
 ↓
 talks about way more during. 0
 Bluetooth range further than wifi.

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

Notes:

ETC

Same Day Service/Nights/Weekends
 Emergency less than 4 hour
 3 year warranty on parts / 1 yr. labor.
 Gilmer responsible for initial troubleshooting
 4 PD days - admin training is different than staff training. 1.5 hr session

Centegix

PD on how to use.
 Support only M-F
 45 min away.

Bidder's warranty/maintenance

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

Notes:

ETC

less than a year
6-9 months

Centegix
5 yr. battery life

Proposed product meets the district's present needs as well as future needs through enhancements and upgrades

A score of 0-10 will be given based on how the proposal meets the RFP section "1.3 Evaluation Criteria". The criteria should be applied to "Section 3 - Technical Requirements."

Notes:

General Notes:
ETC

Felt like they were more geared towards instructional, + safety 2nd.

System requires for 3 separate devices - microphone, lights, + camera

Cannot locate where a teacher is unless the App is used from the phone

Centegix

geared more towards safety 1st, then classroom.

System set up so perimeter of schools can easily be set up + button will work.

Can find location through the badge.

Score Sheet

Criteria	Centegex	ETC
Cost	10 10	9.82
Product quality/appropriateness/compatibility/performance <i>can use demo</i>	8	5 5
Bidder's qualifications/experience	8	7
Bidder's ability to provide support/service	7	8
Bidder's warranty/maintenance	9	9
Proposed product meets the district's present needs as well as future needs through enhancements and upgrades	10	6
